

When Getting It Right Means Everything!

Announcement:

OmniaNow's is pleased to announce the wide spread offering of our F.A.S.T Company Review service. F.A.S.T is a proven program which provides you a cost effective and immediate review of potential risks and rewards associated with your current business. During a three (3) to five (5) day review period, OmniaNow will investigate your **F**inances, **A**ssets, **S**trategy, and **T**echnology and provide you with a report outlining recommendations and potential risks. The review will be completed discretely (under Non-Disclosure), by a trusted Expert (our Experts average well over 20 years of business experience), and at a reasonable price.

This review will be conducted by an OmniaNow business expert, and will cover some or all of the following (each review is custom tailored to match your unique business situation):

- **F**inance:
 - A review of your top Expense Items (and your top 5 Supplier contracts)
 - A discussion of your top customers
 - A review of your checks and balances and processes to protect your income and expenditures
- **A**ssets:
 - Key Personnel Interviews (an interview focused on risks, growth potential and needs)
 - A quick look at what makes your business unique and valuable (Intellectual Property, Holdings, Location, Relationships, etc.)
- **S**trategy:
 - A management structure review (organization charting, gaps, risks)
 - A review of your employee structure (HR, regulatory requirements, etc.)
- **T**echnology:
 - A review of your internal systems and processes
 - An Infrastructure review (Web, Communications, Databases, etc.)
- **R**ESULTS:
 - Recommendations focused on how to drive additional revenue, reduce costs, and mitigate potential risks
 - A report presented in writing during a consultative discussion

OmniaNow is also available for all of your follow-up support needs. We can provide you with all of the consulting services that the “Big 4” Consultancies provide, at around half the price, and without the “bait and switch”. Our Principals, Experts, and Alliance Partners all have a proven track record of success. Please visit OmniaNow.com for more information. Follow-up services include:

- Retained Executive Board and Decision Support
- In-depth Business Assessment Service (a deep dive into individual business functions or cross-company review)
- Project Specific Consulting (supporting your growth initiatives or addressing your risks)
- Supplier Management (recommend, hire, and assure the results)

We look forward to discussing these services and to the potential to help your company to continue to grow and prosper!

Warm Regards,

OmniaNow
